- The Balance sheet has strengthened over the year.
- Net interest bearing debt to debt plus equity has improved to 34% from 39%.
   This excludes intangible assets. Note intangibles assets also includes the value of the Waitomo Caves license so is a conservative calculation.
- The equity ratio increased to 52% mainly due to the lower debt position.
- With IFRS intangible assets now include cave licences and software previously classified as fixed assets.
- Net interest bearing debt decreased \$16m to \$68.5m as at 31 December 2008 compared to \$84.6m at 31 December 2007.
- \$46m of Cash was received from business sales over the 6 months.

## Dividend

- No dividend has been declared.
