Dear Ms. Cathy Casey,

I wish to let you know that between Feb 3rd and 5th, 2011, the "Falun Gong" organization is going to stage the so-called "Shen Yun" in ASB Theatre, Aotea Center in Auckland.

"Falun Gong" is an anti-society cult banned by the Chinese government according to law 11 years ago. Since then, it has gone overseas and has been engaged in the activities against the Chinese government. The cult appears as a "religious group" to fool the general public of other countries.

The real intention of holding this event is to slander the Chinese government and propagandize the cultic theories and heretical ideas of "Falun Gong" itself, in the name of introducing the Chinese culture.

You are kindly requested to stay away from the event and thank you for reading this letter.

Regards,
LIAO Juhua
