Hi Neil and Jane

Was NZOA aware that this doco was to be scheduled 4 days before the election? If not, should we have been? To me, it falls into the area of caution we show about political satire near elections.

Inside New Zealand: Inside Child Poverty – A Special Report – TV 3, Tuesday at 7.30pm

In investigation into children's welfare in New Zealand by AFTA award winning documentary maker, Bryan Bruce. Funded as *The Price of Milk* by the Inside New Zealand working group in June 2011.
