Hi James  
Could you please bring this to the attention of the Minister.

It has just come to our attention that a funded documentary on child poverty will screen on TV3 next Tuesday from 7.30pm. As indicated in the attached message to the Managing Director of MediaWorks, we consider that we have been dropped in it on this occasion. We do not intend to request that the timing be reconsidered, but the attached letter makes our position clear.

Many thanks  
Jane
