

23 April 2012

Minister for State Owned Enterprises  
**PARLIAMENT BUILDINGS**

Dear Minister

Please find attached a proposal from New Zealand First to the Government for a winter power discount for SuperGold cardholders.

As our letter to the Prime Minister explains, this proposal can be implemented under existing legislation but we have also prepared draft legislation as a back-up option.

We would appreciate early consideration of this matter and we would be pleased to brief your officials on this matter.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Winston Peters', written in a cursive style.

Rt Hon Winston Peters  
Leader  
**New Zealand First**
