

# Introduction to Lightroom 4 Workshop

The Contemporary Photography Foundation will be presenting an evening workshop on August 21 that will be an introduction to Lightroom 4. The CPF President Ronald Winstone will cover setting up your image library, importing images, file naming, and basic development tips and Mead Norton will then cover the basics of the book, slideshow, print and web tabs.

This workshop is aimed at photographers who have never used lightroom before or who want to learn more about post-processing. There will be more advanced courses comming soon that will cover advanced library organization, complete digital workflow, and advanced editing techniques.
