

Good to hear back from you, and congratulations on such a successful operation on the 20<sup>th</sup>!

00076

We've been closely following all the subsequent media reporting, and will be very interested to see how Dotcom's extradition hearing progresses.

Thanks very much for your feedback below. We all thoroughly enjoyed being involved in this case and were happy to provide what assistance we could.

We would also be quite keen to hold a debrief at some time in the not-too-distant future. The analysts would be able to walk you through some of the SIGINT tools used, and analysis conducted by GCSB during TASK FORCE DEBUT. Unfortunately though [redacted] on and [redacted] will both be on leave until 7 & 8 February and [redacted] about to head away on leave until the 20<sup>th</sup>. If we aimed for a date from 20 February onwards, would that be more suitable for your seniors? Or is 20 Feb getting a little too late in the month?

At this end, we would also be keen to include some GCSB managers, including our incoming Director Ian Fletcher – who is on deck from 7 February, following the Waitangi weekend. We expect that Ian Fletcher will be keen to attend this debrief as well – and as such, we would be happy to host the debrief, if that worked for you and your seniors.

Let me know what dates would be most suitable for OFCANZ (from 8 Feb onwards at least), and I will see if I can schedule in the relevant people at this end, and arrange meeting rooms etc.

Look forward to catching up further.

Many thanks to you and your team for the assistance you have provided throughout Operation DEBUT. The reporting you were able to provide often helped to confirm or refute other sources, and assisted in providing situational awareness and context to (appropriately cleared) operation planners.

Can I propose we set aside an hour or so for a more 'formal' debrief at some point in the next fortnight? D/Sgt Nigel McMorran is away for a couple of weeks however DI Grant Wormald will hopefully be able to attend.

Topics for discussion might include a summary of the operation and outcomes from our perspective (and yours), what worked well, what didn't, what we could do differently/better next time etc.

We'd be more than happy to host you all up here at a convenient time.

Cheers again,

I'd like to make a pitch for 10:00 – 11:30 on 16 February. This appears to be convenient for GCSB seniors. We may not need the full 1.5 hours, but can block it out all the same in case discussions run overtime.

Please let me know if you or your seniors have any problems with this proposed time.

It looks to be shaping up for a good session, and I agree it will likely provide a solid model for future collaboration.

Good stuff.

The presentation you propose sounds great and will be of much benefit to us as well.

I think DEBUT is a joint model that could be replicated (and built upon) to great effect in future operations with a regional and or wider transnational component.

I am out of the office for the next couple of days but will be in touch next week.

Hi [REDACTED] Police Analyst

Good to hear from you, and realise that you will no doubt have a lot of paperwork to catch up on following your return from Auckland.

We'll await to hear back from you regarding proposed dates

As for the content and scope of the debrief, I would also hope that we aim to present tactical/operational level material. Our analysts will run you through our SIGINT tools and how we used the GCSB Redactions of OPCANZ provided.

On the other hand, the fact that the majority of the audience is made up of seniors and that we will probably not have that many people in the audience for the first time is the biggest advantage. I want to ask our seniors to take more of a back seat position in the audience, leaving our analysis to lead the discussion. I feel that reassures you that I am not aiming this session at a senior level, but we would rather invite them to sit in and observe.

Good to hear back from you, and congratulations on such a successful operation on the 20<sup>th</sup>!

We've been closely following all the subsequent media reporting, and will be very interested to see how Dotcom's extradition hearing progresses.

Thanks very much for your feedback below. We all thoroughly enjoyed being involved in this case and were happy to provide what assistance we could.

We would also be quite keen to hold a debrief at some time in the not-too-distant future. The analysts would be able to walk you through some of the SIGINT tools used, and analysis conducted by GCSB during TASK FORCE DEBUT. Unfortunately though, GCSB Redactions and GCSB Redactions will both be on leave until 7 & 8 February and GCSB Redactions is about to head away on leave until the 20<sup>th</sup>. If we aimed for a date from 20 February onwards, would that be more suitable for your seniors? Or is 20 Feb getting a little too late in the month?

At this end, we would also be keen to include some GCSB managers, including our incoming Director Ian Fletcher - who is on deck from 7 February, following the Waitangi weekend. We expect that Ian Fletcher will be keen to attend this debrief as well - and as such we would be happy to host the debrief, if that worked for you and your seniors.

Some know what dates would be most suitable for OFCANZ (from 8 Feb onwards at least), and I will see if I can schedule in the relevant people at this end, and arrange meeting rooms etc.

Look forward to catching up further.

Cheers

Many thanks to you and your team for the assistance you have provided throughout Operation DEBUT. The reporting you were able to provide often helped to confirm or refute other sources, and assisted in providing situational awareness and context to (appropriately cleared) operation planners.

Can I propose we set aside an hour or so for a more 'formal' debrief at some point in the next fortnight? D/Sgt Nigel McMorran is away for a couple of weeks however DI Grant Wormald will hopefully be able to attend.

Topics for discussion might include a summary of the operation and outcomes from our perspective (and yours), what worked well, what didn't, what we could do differently/better next time etc.

We'd be more than happy to host you all up here at a convenient time.

Cheers again,

Good stuff.

Detective Inspector Grant Wormald will lead from the police/investigative side. We will present a short round-up of the operation from concept to termination/court proceedings. D/Sgt Nigel McMorran will hopefully also be able to attend and he can explain some of the dynamics and legal aspects of the cooperation with (mainly) the FBI.

The presentation you propose sounds great and will be of much benefit to us as well.

I see this as a chance to highlight the success of this op in terms of us seeking your assistance in a fairly unique case and you guys going the extra mile to assist. Also the connectivity to you folks from the field using the GCSB Redactions as a very simple, yet effective medium to provide regular updates.

I think DEBUT is a joint model that could be replicated (and built upon) to great effect in future operations with a regional and/or wider transnational component.

Best dates currently look to be 16 or 17 Feb.

I am out of the office for the next couple of days but will be in touch next week.

Cheers

Hi [Redacted]  
[Redacted]

Good to hear from you, and realise that you will no doubt have a lot of paperwork to catch up on following your return from Auckland.

We'll await to hear back from you regarding proposed dates.

As for the content and scope of the debrief, I would also hope that we aim to present tactical/operational level material. Our analysts will run you through our SIGINT tools and how we used the [Redacted] at OFCANZ provided.

Our Director and senior management will have an interest in seeing this level of material, especially since our Director will probably never have seen SIGINT tools in action yet (he starts in the office after Waitangi). I had been expecting our seniors to take more of a "back seat" position in the audience, leaving our analysts to lead the discussions. Hope that reassures you that I am not aiming this session at a senior level, but we would rather invite them to sit in and observe.

All the best

Appreciate your prompt replies. At present, sometime after the middle of the month is good for us. Still a lot of tidy up (and other catch up) work to be done.

I will contact you towards the end of the week with some tentative dates and hopefully we can go from there

NB, it would not be typical for our Director to attend this type of meeting so more likely to be tactical/operational level personnel who worked directly on the op. We can put ask...

All are at least BCD.

Will get a .ppt through to you sometime today if that's ok. More as a prompt than something to slavishly stick to.

Thanks

I'd like to make a pitch for 10:00 – 11:30 on 16 February. This appears to be convenient for GCSB seniors. We may not need the full 1.5 hours, but can block it out all the same in case discussions run overtime.

Please let me know if you or your seniors have any problems with this proposed time.

This looks to be shaping up for a good session, and I agree it will likely provide a solid model for future collaboration.

Catch you later

Good stuff.

LOOK FOR CLASSIFICATION AND CODEWORD IN NORMAL TYPE

ective Inspector Grant Wormald will lead from the police/investigative side. We will present a short round-up of the operation from concept to termination/court proceedings. D/Sgt Nigel McMorran will hopefully also be able to attend and he can explain some of the dynamics and legal aspects of the cooperation with (mainly) the FBI.

The presentation you propose sounds great and will be of much benefit to us as well.

I see this as a chance to highlight the success of this op in terms of us seeking your assistance in a fairly unique case and you guys going the extra mile to assist. Also the connectivity to you folks from the field using the [REDACTED] was a very simple, yet effective medium to provide regular updates.

I think DEBUT is a joint model that could be replicated (and built upon) to great effect in future operations with a regional and or wider transnational component.

Best dates currently look to be 16 or 17 Feb.

I am out of the office for the next couple of days but will be in touch next week.

Cheers

Good to hear from you, and realise that you will no doubt have a lot of paperwork to catch up on following your return from Auckland.

We'll await to hear back from you regarding proposed dates.

As for the content and scope of the debrief, I would also hope that we aim to present tactical/operational level material. Our analysts will run you through our SIGINT tools and how we used the [REDACTED] that OFCANZ provided.

Our Director and senior management will have an interest in seeing this level of material, especially since our Director will probably never have seen SIGINT tools in action yet (he starts in the office after Waitangi). I had been expecting our seniors to take more of a "back seat" position in the audience, leaving our analysts to lead the discussions. Hope that reassures you that I am not aiming this session at a senior level, but we would rather invite them to sit in and observe.

the best

Appreciate your prompt replies. At present, sometime after the middle of the month is good for us. Still a lot of tidying up (and other catch up) work to be done.

I will contact you towards the end of the week with some tentative dates and hopefully we can go from there.

NB, It would not be typical for our Director to attend this type of meeting so more likely to be tactical/operational level personnel who worked directly on the op. We can but ask...!

Regards

Many thanks for your email, and apologies for not contacting you sooner – I've just got back from leave in the UK. We are pleased that the team's reporting was of value, and contributed in some way to the successful outcome of the operation.

We are very keen for our new Director, Deputy Director for Intelligence, and possibly ICG, to be present during a debrief. If you have some dates in mind, for mid-February, I'd be happy to try and set something up here in Pipitea House if that would be possible?

Regards,

Good to hear back from you, and congratulations on such a successful operation on the 20<sup>th</sup>!

We've been closely following all the subsequent media reporting, and will be very interested to see how Dotcom's extradition hearing progresses.

Thanks very much for your feedback below. We all thoroughly enjoyed being involved in this case and were happy to provide what assistance we could.

We would also be quite keen to hold a debrief at some time in the not-too-distant future. The analysts would be able to walk you through some of the SIGINT tools used, and analysis conducted by GCSB during TASK FORCE DEBUT. Unfortunately though GCSB Redactions and GCSB Redactions will both be on leave until 7 & 8 February and GCSB Redactions is about to head away on leave until the 20<sup>th</sup>. If we aimed for a date from 20 February onwards, would that be more suitable for your seniors? Or is 20 Feb getting a little too late in the month?

At this end, we would also be keen to include some GCSB managers, including our incoming Director Ian Fletcher – who is on deck from 7 February, following the Waitangi weekend. We expect that Ian Fletcher will be keen to attend this debrief as well – and as such, we would be happy to host the debrief, if that worked for you and your seniors.

Let me know what dates would be most suitable for OFCANZ (from 8 Feb onwards at least), and I will see if I can schedule in the relevant people at this end, and arrange meeting rooms etc.

Look forward to catching up further,

Cheers

Many thanks to you and your team for the assistance you have provided throughout Operation DEBUT. The reporting you were able to provide often helped to confirm or refute other sources, and assisted in providing situational awareness and context to (appropriately cleared) operation planners.

Can I propose we set aside an hour or so for a more 'formal' debrief at some point in the next fortnight? D/Sgt Nigel McMorran is away for a couple of weeks however DI Grant Wormald will hopefully be able to attend.

Topics for discussion might include a summary of the operation and outcomes from our perspective (and yours), what worked well, what didn't, what we could do differently/better next time etc.

We'd be more than happy to host you all up here at a convenient time.

Cheers again,

Police/Analyst

Can you contact OFCANZ and ask them to tell us the exact residency status of DOTCOM, Monica DOTCOM and Bram van der KOLK – what type of residency were they granted.

Thanks
