PARLIAMENT HOUSE

Dear Mr Cosgrove

I have considered your letter of 18 March 2013, raising as a matter of privilege a complaint that the Acting Chief Executive of Solid Energy New Zealand Limited deliberately attempted to mislead the Commerce Committee during the hearing of evidence on the 2011/12 financial review of Solid Energy New Zealand Limited on 7 March 2013, and determined that no question of privilege is involved.

Yours sincerely

Rt Hon David Carter
SPEAKER
