

Over the last 3 years I feel that the people of Otara have not been listened to. They have been treated with total disrespect. Otara has been walked over and bullied and it's time to make some changes.  
Restore Otara's dignity.

- Re-elect Anae an experienced voice committed to the people of Manukau Ward and not a political Party

Thank you for electing me to represent you on the first Auckland Council in 2010.

I have been proud to work with Mayor Len Brown and my Council colleagues to deliver an incredible workload which has transformed Auckland into the Super City we now call our home today.

Councillor Alf Filippaina and I made a commitment to the people of Otahuhu that their 40-year wait for a swimming pool will end. We delivered and soon you will be enjoying this new facility.

We wanted to give you 100% free access to swimming but other Councillors objected. However we managed to get all children under 16 years, free access to all Council-owned pools and we are determined to pursue free access for everyone and especially our retired citizens. I fully support providing facilities and access that will make our people healthy.

The Government has finally seen the light to back and support Auckland Council's vision for the rail system, better and bigger roads and also a cross harbour tunnel.

Auckland is now one of the most sought-after destination globally and we will continue to make it the most liveable city in the world. We have a duty to keep it that way.

As the current Chairman of the Council's Economic Forum I have been proud to contribute to the pace and the push for our city's economic development strategy.

The Council's events management team, ATEED was able

to give you the recent Rugby World Cup. And more international events are in the pipeline;

- the Cricket World Cup,
- the under-20 Soccer World Cup,
- World Masters Games,
- the Volvo racing
- the V8's car race.

And we are quietly confident that the world's greatest sailors will bring The America's Cup again to the Viaduct and the City of Sails.

I am proud to have been part of a Council which promotes Auckland as our truly international Super City with many things to look forward to and celebrate. We are the envy of other councils in New Zealand and we are proud to lead the way.

BUT we still have a lot of work to do.

I humbly seek your confidence in the brilliant leadership by Mayor Len Brown as well as your vote so that I can be re-elected to continue representing you in the Auckland Council.

Re-elect Len Brown as Mayor. He wants to see an Auckland as a city for everyone and I support that.

I am also asking for your support so that I can continue representing everyone in Manukau at Auckland Council.

**Remember:** This is a postal ballot. Look out for your voting papers in the mail.
