West Coast Wind-blown Timber (Conservation Lands) Bill

Government Bill

Explanatory note

General policy statement

Departmental disclosure statement

The Department of Conservation is required to prepare a disclosure statement to assist with the scrutiny of this Bill. It provides access to information about the policy development of the Bill and identifies any significant or unusual legislative features of the Bill.

A copy of the statement can be found at [PPU to insert URL and link] (if it has been provided for publication).

Or [Counsel to delete the option that does not apply]

A departmental disclosure statement is not required for this Bill.

Regulatory impact statement

The Department of Conservation produced [a regulatory impact statement/regulatory impact statements] on [date] to help inform the main policy decisions taken by the Government relating to the contents of this Bill.

[A copy of this regulatory impact statement/Copies of these regulatory impact statements] can be found at—

Clause by clause analysis

Clause 1 is the Title clause.

Clause 2 is the commencement clause, which provides that the Act comes into force on the day after the date on which it receives the Royal assent.

Clause 3 provides that the Act is repealed on 1 July 2019.

Clause 4 provides that the purpose of the Bill is to allow the Director-General of Conservation to authorise the removal of timber that was irreversibly damaged by Cyclone Ita from certain conservation areas and reserves in the West Coast region.

Clause 5 defines terms used in the Bill.

Clause 6 states that the Act binds the Crown.

Clause 7 provides that the Bill applies to the removal of wind-blown timber from the designated area (defined in the Bill as conservation areas and reserves within the West Coast region).

Clause 8 provides that wind-blown timber may be removed in accordance with an authorisation granted by the Director-General under clause 10.

Clause 9 provides that a person may apply for an authorisation to remove wind-blown timber only if the person has been invited to apply by the Director-General and that an application must be accompanied by the application fee (if a fee is prescribed). Clause 9(3) to (5) specifies the methods by which the Director-General may invite and consider applications.

Clause 10 provides that the Director-General may grant an authorisation to a person to remove wind-blown timber and to carry out other activities that are reasonably necessary to allow for the safe and efficient removal of the timber. Clause 10(3) provides that the Director-General must be satisfied of certain matters before granting an authorisation. Clause 10(4) and (5) provides that the Director-General must be satisfied of certain matters before granting an authorisation.

eral may, in considering whether to grant an application, take into account any matters that the Director-General considers relevant and may grant the authorisation subject to any conditions that he or she thinks fit (but must impose conditions that address the matters specified in *clause* 10(3)).

Clause 11 restricts the purposes for which timber removed in accordance with an authorisation may be used.

Clause 12 requires a person to whom an authorisation is granted to pay any royalties, fees, and charges required by the Director-General. Clause 13 sets out the matters that must be specified in an authorisation granted under clause 9.

Clause 14 states that the Director-General may amend an authorisation by agreement with the authorised person or where an amendment is necessary to address adverse effects of the permitted activities that were not foreseen when the authorisation was granted.

Clause 15 provides that the Director-General may revoke an authorisation in the Director-General's absolute discretion.

Clause 16 provides that an authorisation expires on the expiry date specified in the authorisation or on 1 July 2019, whichever is the later. Clause 17 states that an activity permitted under an authorisation is not an offence under the Conservation Act 1987, Reserves Act 1977, or Wildlife Act 1953 and does not require any authorisation under those Acts.

Clause 18 clarifies that an authorisation to remove wind-blown timber is not a disposal of a conservation area, or an interest in a conservation area, under the Conservation Act 1987.

Clause 19 provides that sections 9, 13, 14, and 15 of the Resource Management Act 1991 do not apply to activities permitted by the authorisation to the extent that those activities are contained within the specified site.

Clause 20 allows the Director-General to prescribe fees and charges to recover costs associated with the authorisation, and ongoing monitoring, of timber-removal and other permitted activities.

Clause 21 amends the Conservation Act 1987 to add the Bill to the list of Acts administered by the Department of Conservation.

PCO 18454 v 6.0: 18 June 2014: 03.49 pm

Hon Dr Nick Smith

The Parliament of New Zealand enacts as follows:

1 Title

This Act is the West Coast Wind-blown Timber (Conservation Lands) Act 2014.

2 Commencement

This Act comes into force on the day after the date on which it receives the Royal assent.

3 Repeal of this Act

This Act is repealed on 1 July 2019.

Part 1 **Preliminary provisions**

4 **Purpose**

The purpose of this Act is to allow the Director-General to authorise the removal from certain conservation areas and reserves in the West Coast region of timber irreversibly damaged by Cyclone Ita (wind-blown timber).

5 Interpretation

In this Act, unless the context otherwise requires, authorisation means an authorisation granted under section 10

authorised person means a person to whom an authorisation is granted under **section 10**

Cyclone Ita means the weather event that occurred in the West Coast region on 17 April 2014

conservation has the meaning given in section 2(1) of the Conservation Act 1987

conservation area has the meaning given in section 2(1) of the Conservation Act 1987

Department means the Department of Conservation designated area—

- (a) means every conservation area and reserve within the West Coast region that is owned by the Crown and administered by the Department other than—
 - (i) any ecological area; or
 - (ii) Te Wāhipounamu (the South West New Zealand World Heritage Area); or
 - (iii) Waitangiroto Nature Reserve; but
- (b) excludes any national park

Director-General means the Director-General of Conserva-

ecological area has the meaning given in section 2(2) of the Conservation Act 1987

irreversibly damaged, in relation to timber, means—

- (a) dead; or
- (b) damaged to the extent that it is likely to die within the near future

national park means a national park constituted under the National Parks Act 1980

reserve has the meaning given in section 2(1) of the Reserves Act 1977

specified site means a site to which an authorisation granted under **section 10** applies

timber-

- (a) means trees and parts of trees; and
- (b) includes branches, roots, and stumps of trees

West Coast region means the region that is administered by the West Coast Regional Council wind-blown timber means timber irreversibly damaged by Cyclone Ita.

6 Act binds the Crown

This Act binds the Crown.

Part 2 Removal of wind-blown timber

Authorisation of removal of wind-blown timber

7 Application

This Act applies to the removal of wind-blown timber from the designated area.

8 Wind-blown timber may be removed if authorised by Director-General

A person may remove wind-blown timber from the designated area in accordance with an authorisation granted by the Director-General under **section 10**.

9 Who may apply for authorisation

- (1) A person may apply for an authorisation under **section 10** only if the person has been invited to do so by the Director-General.
- (2) An application must be accompanied by the application fee (if any) specified by the Director-General under **section 20(a)**.
- (3) The Director-General may invite a person or persons to apply for an authorisation by any means, including, without limitation, by—
 - (a) public notice (which may invite tenders or other proposals):
 - (b) notice to specific persons who the Director-General considers are qualified to undertake the removal of wind-blown timber.
- (4) If the Director-General invites applications under **subsection** (3), the Director-General may, in the Director-General's discretion.—
 - (a) accept or decline any application; or

4

- (b) enter into private negotiations with any applicant with a view to reaching an agreement; or
- (c) reject all applications.
- (5) Before exercising the Director-General's discretion under **subsection (4)**, the Director-General may have regard to—
 - (a) the interests (including the financial interests) of the Crown in the relevant conservation area or reserve; and
 - (b) any other matters the Director-General considers relevant.

Director-General may authorise removal of wind-blown timber from designated area

- (1) The Director-General may, on the application of a person under **section 9**, grant an authorisation to a person to—
 - (a) remove wind-blown timber from 1 or more specified sites within the designated area; and
 - (b) carry out within the specified site or sites any other activities that are reasonably necessary to allow for the safe and efficient removal of the timber.
- (2) Before considering whether to grant an authorisation, the Director-General may require the applicant to submit a work plan.
- (3) The Director-General must not grant an authorisation unless the Director-General is satisfied that—
 - (a) the activities permitted by the authorisation (including timber removal) will be managed so that—
 - (i) only timber that can be used for 1 or more of the purposes in **section 11** is removed from the specified site or sites; and
 - (ii) the safety of people working at the site and of members of the public is protected; and
 - (iii) adverse effects on the environment are kept to a minimum; and
 - (iv) the activities do not unreasonably affect conservation in the conservation area or reserve within which the specified site or sites are located; and
 - (v) the activities do not cause significant soil disturbance; and
 - (vi) the effects of activities within the specified site on the environment outside of the specified site

- are not contrary to the purposes of the Resource Management Act 1991; and
- (vii) the activities permitted within the specified site do not breach any national environmental standards prescribed under section 43 of the Resource Management Act 1991; and
- (b) any timber removed in accordance with the authorisation will be used for 1 or more of the purposes specified in **section 11**.
- (4) In considering whether to grant an authorisation, the Director-General may, in addition to the matters specified in **subsection (3)**, take into account any matters that the Director-General considers relevant.
- (5) The Director-General must impose conditions on every authorisation to address each of the matters specified in **subsection (3)** and may impose any other conditions that the Director-General thinks fit, including, without limitation, that the authorised person must—
 - (a) pay a bond to the Department (which may be forfeited if the person fails to meet the conditions of the authorisation); and
 - (b) obtain appropriate insurance for the activities permitted by the authorisation.

11 Restriction on use of timber

- (1) Timber removed in accordance with an authorisation may only be used for 1 or both of the following purposes:
 - (a) sawn or cut wood (other than firewood or woodchips):
 - (b) finished or manufactured indigenous timber products (as defined in section 2(1) of the Forests Act 1949).
- (2) Despite section 67C(1) of the Forests Act 1949, indigenous timber removed in accordance with an authorisation may be exported from New Zealand if the timber is—
 - (a) sawn beech; or
 - (b) sawn rimu; or
 - (c) a stump; or
 - (d) a root; or
 - (e) a tree fern trunk, or part of a tree fern trunk, or fibres from a tree fern trunk.

- (3) Section 67C(3) of the Forests Act 1949 applies to the export of timber under **subsection (2)**.
- (4) In this section—

indigenous has the meaning given in section 2(1) of the Forests Act 1949

sawn beech and **sawn rimu** have the meanings given in section 67C(4) of the Forests Act 1949.

12 Royalties, fees, and charges

- (1) An authorised person must pay to the Director-General the royalties and any fees or charges required by the Director-General.
- (2) The Director-General must ensure that any royalties received are paid into a Crown Bank Account.
- (3) The Director-General may, in the Director-General's absolute discretion, refund or waive payment of all or any part of any royalty, fee, or charge paid or required to be paid under this Act.

Authorisations

13 Form of authorisation

An authorisation must be in writing and must specify, without limitation,—

- (a) the specified site or sites; and
- (b) the activities permitted by the authorisation; and
- (c) the purposes for which the timber removed from the specified site may be used; and
- (d) the conditions of the authorisation; and
- (e) the dates on which the authorisation commences and expires; and
- (f) matters relating to the amount and payment of royalties, fees, and charges.

14 Amendment to authorisation

The Director-General may amend an authorisation—

- (a) by agreement with the authorised person; or
- (b) in any case where the amendment is necessary to address adverse effects of the activities permitted by the

authorisation that were not reasonably foreseeable at the time that the authorisation was granted.

15 Revocation of authorisation

The Director-General may, in the Director-General's absolute discretion, revoke an authorisation granted under this Act.

16 Expiry of authorisation

An authorisation expires on the earlier of—

- (a) the expiry date specified in the authorisation; and
- (b) 1 July 2019.

Application of other legislation

17 Permitted activity not an offence

A person who carries out an activity in accordance with an authorisation—

- (a) does not commit an offence against the Conservation Act 1987, Reserves Act 1977, or Wildlife Act 1953 in respect of the activity; and
- (b) does not require any authorisation under the Conservation Act 1987, Reserves Act 1977, or Wildlife Act 1953 in respect of the activity.

18 Authorisation not a disposal of land

To avoid doubt, an authorisation is not a disposal of a conservation area, or an interest in a conservation area, for the purposes of section 16 or 26 of the Conservation Act 1987.

19 Certain sections of Resource Management Act 1991 do not apply

Sections 9, 13, 14, and 15 of the Resource Management Act 1991 do not apply to activities permitted by an authorisation.

Miscellaneous

20 Fees and charges

The Director-General may prescribe fees and charges—

(a) for processing an application; and

- (b) where an authorisation has been granted to an applicant.—
 - (i) for monitoring compliance with the conditions of the authorisation; and
 - (ii) for monitoring the environmental effects of the activities permitted by the authorisation; and
 - (iii) to recover the costs to the department of paying any fees or charges associated with the use of the land (including, but not limited to, rates imposed under the Local Government (Rating) Act 2002);
- (c) for any other purpose that is reasonably necessary to recover the cost to the Department of administering this Act.

21 Conservation Act 1987 amended

- (1) This section amends the Conservation Act 1987.
- (2) In Schedule 1, insert in its appropriate alphabetical order: "West Coast Wind-blown Timber (Conservation Lands) Act **2014**".
