

SUMMER SEASON JOURNEYS

SH1 CLOSURES ACROSS VICTORIA PARK

SH1 south across Victoria Park will be closed every night between 10pm and 5am, excluding Fridays and Saturdays, from 5 January to 18 March 2015.

The closures will enable installation of new LED lights and steel barriers as part of an upgrade of the Victoria Park Viaduct.

Please follow the signposted detour from the Fanshawe Street off-ramp to rejoin SH1 or SH16 at the Hobson Street on-ramp.

The Cook Street off-ramp and Port/SH16 link will also be closed. Northbound traffic using the Victoria Park Tunnel is unaffected.

For more information, please visit www.nzta.govt.nz/vpv or call Auckland Motorways on 09 5200 200.
