World Intelligence Day

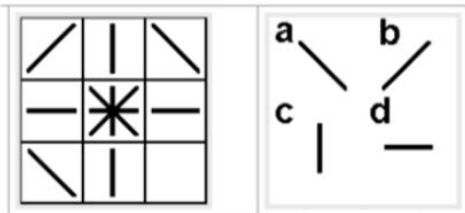

October 1st 2016 is being celebrated as World Intelligence Day. This is an initiative started by Mensa several years ago, and celebrated around the world.

To mark this day, and also celebrate Mensa New Zealand's 50th Anniversary and Mensa International's 70th Anniversary, Mensa NZ is offering free testing across the country on the weekend of 1st/2nd October.

To apply to sit the free test go to <http://bit.ly/mensanz>.

If you want to see how you might do on the test, email the answers to the questions below to pr@mensa.org.nz We will let you know the result.

1. Complete the grid on the left by choosing one picture from the right.

2. Choose the most logical picture from the right to continue the sequence on the left.

3. Which number continues this pattern?

7	5	10	7	21	17	?
---	---	----	---	----	----	---

4. Which number does not belong

5. What is the missing number

37	18	19
18	7	11
19	11	?
