Lif Jacket Upgrade

Frequently Asked Questions

Q How much will a lifejacket cost with a trade-in?

A A significant discount is available on lifejackets purchased through the programme, all trade-in prices are shown to the right.

Q My local boat ramp is not on the location schedule, are you going to add more locations?

A The location schedule (which you'll find at www.coastguard.nz) ensures the Old4New van visits the most popular boat ramps in key areas throughout the country. But not to worry if you miss the van as our friends at the Boating & Outdoors Group are supporting the Old4New Lifejacket Upgrade Campaign by offering the trade-in at their various stores on allocated weeks throughout the campaign. Visit www.boatingandoutdoors.co.nz for your nearest store.

Q Can I pay with a credit card or eftpos at the Old4New van?

A For sure, eftpos and credit card transactions are available at the Old4New van.

Q Is there a limit on the number of lifejackets I can upgrade?

A No, however the number of lifejackets available for upgrade will be limited by stock availability. Be sure to check with the Old4New team on the day.

Q My lifejacket is not that old, can I still use it as a trade-in?

A You'd be amazed at what's been traded-in so far. The main thing is that you walk away with the best lifejacket to suit your boating and help you get the most out of your time on the water.

Q I don't have a lifejacket to trade-in, can I still purchase a new lifejacket from the van?

A Yes, you can purchase any of the Hutchwilco lifejackets from the Old4New van. If you don't have an old lifejacket to trade in but want to get set for summer with a new one, all lifejackets will be available at the normal retail price listed.
