To Duncan Garner. [REDACTED] Fr [REDACTED]

Re Confirmation of Incident re David Beason rope.

Further to our conversation I can confirm that allegations made against this MP in parliament took place.

I was struck in the face by David during a school camp at Penrhyweler. This was in front of 3 witnesses.

Although I don't think it appropriate for this matter to be used as a political issue prior to the general election I am concerned that David has denied that the event took place (he may have forgotten?)

Integrity is a key to our political process and government and I believe that members in the house should tell the truth! [This is my 'on the record' statement]
