

Table 1: Targeted Sport Core HP Programme Investment

Sport	2010 Total	Additional	2011 Investment
Athletics	\$1,550,000	\$250,000	\$1,800,000
Bike	\$3,585,000	\$500,000	\$4,085,000
Rowing	\$3,520,000	\$800,000	\$4,320,000
Swimming*	\$1,650,000	\$-	\$1,650,000
Triathlon	\$1,535,000	\$50,000	\$1,585,000
Yachting	\$2,500,000	\$-	\$2,500,000
Netball	\$1,000,000	\$200,000	\$1,200,000
	\$15,340,000	\$1,800,000	\$17,140,000

NB: Yachting is on track to deliver medals in London in 2012. It did not apply for further core programme investment but may seek funding later for classes which come on to the 2016 Olympic programme.

*The \$1.65m to swimming is indicative. An allocation of \$0.825m is being made to Swimming NZ for the six months to the end of June, 2011.

Investment in netball will be reviewed again after the World Netball Championships 2011.

On top of the \$90,000 to rugby league, under the funding arrangement with the sport a proportion of SPARC's \$1m investment is set aside for high performance.

The \$300,000 to golf will be used to assist New Zealand Golf's new initiatives to help produce world-class professional golfers.
