MESSAGE FROM DISTILLED SPIRITS AOTEAROA AND SPIRITS NEW ZEALAND

This is our second year of the New Zealand Spirits Awards, and once again we can call this event a resounding success. We are moving from strength to strength, establishing a world-class distilled spirits competition in New Zealand.

New Zealanders have always been able to find a wide range of premium imported classical spirits on bottle store shelves, and they are now also finding an increasing number of New Zealand-made local products with local flair. The New Zealand Spirits Awards aims to benchmark our local products against overseas imported spirits. Consumers can benefit from knowing they are drinking a gold medal New Zealand-born spirit, aligned with global quality.

Distilled Spirits Aotearoa and Spirits New Zealand have been working together to jointly raise the profile of spirits in New Zealand. The global passion for distilled spirits and cocktails has been sweeping the world but has only recently taken off in New Zealand. Five years ago there were only an estimated 33 distilleries in New Zealand, and now there are approximately 90. Distilled Spirits Aotearoa was launched in September 2018 as an initiative by small New Zealand-based distilleries to bring together our distilled spirit community and promote a strong, sustainable distilling

business. Spirits NZ represents the ten largest global and New Zealand-based spirits manufacturers, importers, and distributors in New Zealand. Both industry bodies are working together, large and small, to ensure that everyone, including suppliers and support services such as glass and label makers, botanical and raw material suppliers, bars and restaurants benefits from the raised interest in these complex beverages.

Many of our peer spirits competitions overseas have been delayed or cancelled due to the COVID-19 situation. We were extremely fortunate in that our potential judge pool in New Zealand is strong and of world standard. Our talented judges this year have been very generous in their flexibility to adapt to changing dates and donate their time to three days of intensive sensory work-out.

Finally – this event would not have been possible without our generous sponsors, who share our passion for our spirits. Thank you.

We are extremely proud to bring you this latest round of world class medal winning spirits available on the New Zealand market.

MESSAGE FROM THE HEAD JUDGES

In just its second year, we are thrilled to see New Zealand Spirits Awards grow and provide an outstanding variety of entrants with the largest number of exhibits to date. It has been great to experience all that New Zealand spirits have to offer – this is a fantastic showcase for our talented New Zealand distillers.

We'd like to take this opportunity to thank our fellow panel judges that we have had the pleasure in getting to know and work alongside this year; lending their time to contribute to New Zealand's spirits industry. We were so lucky to be surrounded by like-minded people with such unique backgrounds, skill sets and experience!

Notably, we'd also like to thank the organisers who gave their time and hard work to keep the spirits pouring and without whom the whole judging process wouldn't be possible.

Lastly, thank you to Antony Michalik, Dr Sue James, Robert Brewer, Kane Stanford and the team at Avenues Event Management for putting on another great event for New Zealand Spirits Awards. It's been a privilege to be involved and we can't wait to be back next year!

2020 JUDGING PANELS
