ADDITIONAL AWARDS TO BE PRESENTED AT AMA 2024

Te Taumata o te Hokona | Highest Selling Artist
Te Taumata o te Horapa | Radio Airplay Record of the Year

Please note that additional Awards will be announced ahead of AMA 24

UPDATED TRANSLATIONS FOR ALL AWARDS

As part of the work done to refresh AMA, we worked with Kauwaka – a Māori Cultural and Language Development agency recommended by Dame Hinewehi Mohi – to rethink the translations of our award category titles, as the existing translations were direct translations or transliterations of the te reo Pākehā versions. Kauwaka, with guidance from Dr Sir Timoti Kāretu, delivered a beautiful suite of new translations to better reflect our AMA kaupapa using te ao Māori concepts, mostly through references to manu, birds.

Best Group, for example, evolves from Te Roopu Toa to Te Tino Kāhui Manu Taki o te Tau, which speaks of kāhui – a flock or group of birds or stars. The manu taki are the core, or leaders of the flock – so it is fitting that such a title is bestowed upon many of our Award winners. Te taumata, the pinnacle, serves as a reference point for the artisan and data award categories. Best Album Artwork, for example, landed as Te Taumata o te Toi, or “the pinnacle of the art”, while Te Rikoata Marakerake o te Tau | Radio Airplay Record of the Year emerges from its transliteration as Te Taumata o te Horapa, or “the pinnacle of spreading” – as these waiata spread like wildfire.
